

Althing's Advisory Structure

Althing's **Strategic Advisors** include notable leaders in medicine, business and education. This advisory board's insights and innovations guide Althing's strategic direction. These experts review services for customers and patients.

Dr. Tim Sielaff

Dr. David Krenz

Dr. Paul Goering

William Welch

Althing's **Clinical Advisors** include partnered clinicians and services to oversee and guide clinical operations and programs.

Althing's **General Advisory Board** also consists of leaders in education, healthcare, business and mental health. These advisors often participate in our services and customer deliverables.
